

Someone you loved

INTRO

C G Am F (X2)

C G Am F
I'm going under and this time I fear there's no one to save me

C G Am F
This all or nothing really got a way of driving me crazy,

I need somebody to heal, somebody to know,

somebody to have, somebody to hold

It's easy to say but it's never the same

I guess I kinda liked the way you numbed all the pain

C G
Now the day bleeds into nightfall

Am F
And you're not here to get me through it all

C G
I let my guard down And then you pulled the rug

Am F
I was getting kinda used to being someone you loved

C G Am F
I'm going under and this time I fear there's no one to turn to

C G Am F
This all or nothing way of loving got me sleeping without you

Now, I need somebody to know somebody to heal

Somebody to have just to know how it feels

It's easy to say but it's never the same

I guess I kinda liked the way you helped me escape

C
Now the day bleeds.....

Dm Am G
And I tend to close my eyes

G Am Dm
when it hurts sometimes I fall into your arms

Am G G
I'll be safe in your sound 'til I come back around

For now the day bleeds... (X2)
