

If I were a boy

Em C G D Em C G D
If I were a boy, even just for a day

Em C
I'd roll outta bed in the mornin'

G D Em C G
And throw on what I wanted, then go

D Em C G
Drink beer with the guys

D Em C G D
And chase after girls

Em C
I'd kick it with who I wanted

G D Em
And I'd never get confronted for it

C G
'Cause they'd stick up for me

D Em C G
If I were a boy

D Em C G D
I think I could understand

Em C
How it feels to love a girl

G D Em C G
I swear I'd be a better man

D Em C G
I'd listen to her

D Em C G D
'Cause I know how it hurts

Em C
When you lose the one you wanted

G D
'Cause he's taken you for granted

C
And everything you had got destroyed

Em C G
If I were a boy

D Em C G D
I would turn off my phone

Em C
Tell everyone it's broken

G D Em C G
So they'd think that I was sleepin' alone

Partitura del mes – Beyoncé (I am Sasha Pierce, 2008)

D Em C G
I'd put myself first
D Em C G D
And make the rules as I go
Em C
'Cause I know that she'd be faithful
G D Em C G
Waitin' for me to come home, to come home

D Em C G
If I were a boy....
Am C G D Am
It's a little too late for you to come back
C Em
Say it's just a mistake
D Am
Think I'd forgive you like that
C Em D
If you thought I would wait for you
C
You thought wrong

Em C G
But you're just a boy
D Em C G D
You don't understand (Yeah, you don't understand, oh)
Em C
How it feels to love a girl, someday
G D Em C G
You'll wish you were a better man
D Em C G
You don't listen to her
D Em C G D
You don't care how it hurts
Em C
Until you lose the one you wanted
G D
'Cause you've taken her for granted
C
And everything you have got destroyed
Em C G D
But you're just a boy
